

Dear St. Luke Congregation,

As many of you are aware, St. Luke has a large and very active group of youths between the ages of 11 and 16. We consider involvement with these children to be vital in their development, and to the future of our church. Several members of our congregation have expressed an interest in volunteering with youth projects. In order to coordinate these volunteers, we are requesting your input.

Below you will find a list of ways in which you can volunteer your time, energy, and talents with our youth. If you are interested in assisting, please indicate the areas in which you would be willing to serve. We will contact you when your help is needed in your specified area.

Please don't allow age to discourage your involvement; our youth love to spend time with our older members, as our Confirmation Mentoring program has shown.

Your time and consideration is greatly appreciated. Please complete the form below, and either place it in the Youth Group mailbox or give it to Bev or Howard Hissner.

Sincerely,

Bev and Howard Hissner
